

Minutes of the Extraordinary Meeting of Griston Parish Council held at Tinosa, Church Road on Saturday 9th July 2016.

The meeting began at 10.00am

Attending: Malcolm Bellingham (Chairman), David Barnett (Vice-Chairman), Tracey Johnson, Marie McGuinness and Margaret Parker (Clerk).

The meeting had been called in order to authorise the payment detailed below. The payment represents an amount for materials that is required to be paid before work can begin on the replacement village sign. The meeting was informed that the overall cost of this work has now risen to £2250.

A payment of £570 to Fiona Davies was authorised and the cheque was signed along with the supporting document.

The amount authorised differed from the amount published on the agenda due to some confusion that had arisen regarding the details of the work that had been requested by Mr Barnett on 4th November 2015 via email.

The meeting closed at 10.10am.
